**Abatements will be researched by parcel number and current abatements only.** Parcel number and address must be provided to obtain abatement information.

View our web-site [www.cbhealth.org](http://www.cbhealth.org), section: **Environmental Health** (found in the **Home menu** at left of your screen), **Weed Liens**, for abatements approved for property lien and submitted to the county offices within the last 18 months. Information provided here is **Not All Inclusive** and does not include other lien attachments to these locations.

Locations listed below have been researched for weed/solid waste abatements completed from \_\_\_\_\_ to faxed return of information.

**NO REQUESTS BY E-MAIL. Requests by fax only; results will be faxed back.**
