| | b. Backup? | Yes | No |
| | c. Turn signals? | Yes | No |
| | d. Emergency? | Yes | No |
| 5. | Is fire extinguisher fully charged and up to date? | Yes | No |

Limited Collection Because of vehicle design and construction, you are limited to collection of construction debris, sand, gravel, dirt, tree limbs, brush, lawn and garden trimmings and other items that do not include dead animals, hazardous wastes, or any items which involve liquids or waste likely to attract flies or rodents. A fully enclosed, sealed compactor would be the only exception.
